Arise from the Shadow

生圖使用的風格:

In a Neo-Gothic cartoon style, featuring rough, painterly textures that resemble crayon. The scene includes hand-drawn linework in the background, using a moody color palette with deep shadows to create a mysterious fairytale atmosphere.

Prompt:

In a Neo-Gothic cartoon style, featuring rough, painterly textures that resemble crayon. The scene includes hand-drawn linework in the background, using a moody color palette with deep shadows to create a mysterious fairytale atmosphere. A group of clowns walking into a swirling portal. Each clown holds a different item—one carries a sword, another a staff, others hold various unique objects. One clown is holding a lantern.

Output:

Prompt:

In a Neo-Gothic cartoon style, featuring rough, painterly textures that resemble crayon. The scene includes hand-drawn linework in the background, using a moody color palette with deep shadows to create a mysterious fairytale atmosphere. A group of clowns standing before a towering, massive door in a mysterious ancient castle. The clowns appear small in comparison to the door, showing curiosity and surprise. One clown is holding a lantern.

Output:

Prompt:

In a Neo-Gothic cartoon style, featuring rough, painterly textures that resemble crayon. The scene includes hand-drawn linework in the background, using a moody color palette with deep shadows to create a mysterious fairytale atmosphere. A group of clowns bow down in worship before a colossal statue in a mysterious ancient castle. In the center, a massive seated statue, with two standing statues holding swords beside it. A lantern lies on the floor, casting a faint glow.
